

## **Motion to the Board of Friskis&Svettis Brussels for the AGM 10 April 2019**

### **Limitation to time served on the Board**

#### **Background**

A continuous development of the Board is a necessity in order to let Friskis Brussles develop and adapt to the different challenges around us. It is therefore advisable to have a fixed limit to the number of years any one person can serve on the Board. The number of years should however not be too low, as not to lose any competence.

The approach of limited number of years on the Board is also in place in Friskis & Svettis Riks (currently 5 years) and other Friskis Clubs.

#### **Proposal**

I move to limit the time served on the Board of Friskis Brussles to a total maximum of 6 years per person.

Brussels 28/03/2019
