

## **Motion – Limitation to time served on the board – Reply of the board**

Over the past years, the board of Friskis&Svettis Brussels has seen many well meaning members pass through the position on the Board; sometimes leaving after a very short time or ending their mandate before the agreed committed time. This has led to a serious lack of continuity in the board.

Continuity by regularly bringing in new participants is an ideal situation for a board allowing the board to ensure a proper management of the club and be inclusive of our diverse membership.

The Election Committee is doing a great job, year after year, in proposing a board proposed of candidates of different capabilities and backgrounds. However, very often they are confronted by a lack of candidates. People are hesitating to commit to sitting on the board.

### ***Friskis&Svettis Brussels board proposes to the AGM***

**To** give its consent to the proposal of a limited time to sit on the board (6 years in total)

**To** support the fact that a board member should sit for a minimum duration of 2 years on the board

**To** grant the Election Committee the right to make an exception to the rule if no candidate is volunteering and the current member(s) is (are) willing to continue to sit on the board (for max. 1 additional year)
