

ANNE

Here are only a few highlights to show why we thank you today for the time you gave us throughout the years in the board and as a volunteer !

From 2007 to 2019 you organized, among other things:

Nordic Walk around Brussels in connection with the car-free day,

IKEA stands, Info Day,

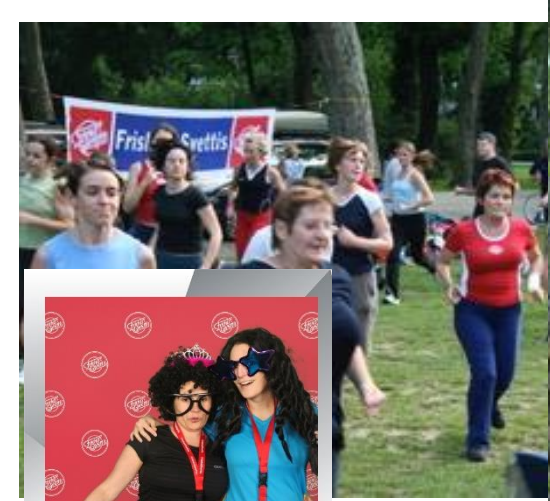

Bar Crawling for the volunteer's kick-off,

The Midsummer Party

All your back-office work (banners, presents for volunteers, memberships, formalities with authorities, representing Brussels abroad and more ...),

2013 : The most memorable event : The Boost Camp !

THANK YOU !!!
